

REACT LOGIN SIGNUP FORM UI

Name: Vansh Chaurasiya

RollNo: 53

Reg.No: 12217737

A dark-themed login and signup form. At the top, there are two buttons: 'Login' (blue) and 'Signup' (white). Below these is the title 'Login' in white. There are two input fields: 'Email Address' and 'Password', both with light gray borders. Below the password field is a link 'Forgot Password?' in blue. At the bottom, there is a large blue 'Login' button and a text link 'Don't have an account? Signup' in blue.

Code:

```
import { useState } from "react";
import '../loginSignup.css'

const LoginSignupForm = () => {
  const [activeTab, setActiveTab] = useState("login");
```

```
const renderForm = () => {  
  if (activeTab === "login") {  
    return <LoginForm />;  
  } else {  
    return <SignupForm />;  
  }  
};
```

```
return (  
  <div className="form-tabs">  
    <div className="tabs">  
      <button  
        className={activeTab === "login" ? "active" : ""}  
        onClick={() => setActiveTab("login")}  
      >  
        Login  
      </button>  
      <button  
        className={activeTab === "signup" ? "active" : ""}  
        onClick={() => setActiveTab("signup")}  
      >
```

```
        Signup
      </button>
    </div>
    <div className="form-container">{renderForm()}</div>
  </div>
);
};
```

```
const LoginForm = () => {
  return (
    <form className="login-form">
      <h2>Login</h2>
      <div className="form-group">
        <input type="email" placeholder="Email Address" />
      </div>
      <div className="form-group">
        <input type="password" placeholder="Password" />
      </div>
      <div className="form-group">
        <p className="forgot-password"><a href="">Forgot
Password?</a></p>

```

```

    </div>

    <button type="submit">Login</button>

    <p className="form-note">Don't have an
account? <a href="">Signup</a></p>

  </form>

);

};

const SignupForm = () => {
  return (
    <form className="signup-form">
      <h2>Signup</h2>
      <div className="form-group">
        <input type="email" placeholder="Email Address" />
      </div>
      <div className="form-group">
        <input type="password" placeholder="Password" />
      </div>
      <div className="form-group">
        <input type="password" placeholder="Confirm
password" />
      </div>

```

```
        <button type="submit">Signup</button>
    </form>

    );
};
```

```
export default LoginSignupForm;
```

Styling:

```
.form-tabs {
    width: 300px;
    margin: 0 auto;
    border: 1px solid #ccc;
    padding: 20px;
    border-radius: 8px;
}
